Café Conundrum

“Can you keep the coffee flowing through the chaos?”

by
Atomic

A small chalkboard with a wooden frame. The word "MENU" is written in white chalk in the top left corner.

Narrative

The story of Café Conundrum puts you in the shoes of **Erwin**, a young and passionate entrepreneur who had just **inherited** his late uncle's Café. This café is more than a business—it's a **legacy**. Erwin is excited to reopen it, hoping to bring new life into his uncle's dream.
